For Immediate Release

Amano USA Holdings, Inc. announces the acquisition of Accu-Time Systems Inc.

Roseland NJ, March 2nd 2010 -Today Amano USA Holdings, Inc. (AUH) announces the acquisition of Accu-Time Systems, Inc. (ATS) based in Ellington CT. "Amano and ATS share a common vision and the combination of our products and people provides an enhanced value proposition to our customers" said Michael Lee, CEO of AUH.

ATS is a leading developer, manufacturer, and supplier of biometric and non-biometric terminals to the Time and Attendance and Workforce Management industry in the USA and more recently into Europe and other export markets. The company has a strong reputation and tradition of innovative and reliable hardware solutions for its growing customer base of business partners. "We look forward to continuing and expanding the ATS tradition of providing quality innovative products here and abroad" said Michael Lee, "The acquisition just made too much sense as ATS brings products and innovation that will leverage Amano's extensive offerings while Amano adds significant breadth and innovation to ATS. "said Peter DiMaria, President and Founder of ATS.

The acquisition of ATS will provide a good synergistic effect to Amano's sales channels for time and workforce management. We can also look forward to continuing growth in our businesses by leveraging the innovation that ATS brings to Amano.

In joining the Amano Group of companies, ATS will gain greater access to overseas markets and benefit from the global engineering and support infrastructure that Amano can provide. ATS's valued business partners will share in these benefits of greater market coverage as well as technical resources of a larger group.

ATS will continue to be lead by Mr. DiMaria and his management team "Having been in our industry 20 years we have always been aware of Amano as a quality supplier of time and attendance products. We have admired their dedication to quality and consistency from afar. Once we started talking among ourselves the agreement became a compelling opportunity for both of us" said Mr. DiMaria.
